

FOR YOUTH DEVELOPMENT  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY

March 19, 2020

Dear YMCA Family –

At the Lafayette Family YMCA, the safety and well-being of our members, staff, volunteers and the Greater Lafayette community have always been and will always be a top priority.

We have been diligently monitoring all national and local updates surrounding the COVID-19 (coronavirus) situation. In order to best ensure the health of our entire Y community, we have decided to suspend operations at our Creasy Lane and Downtown locations to the public effective March 20, 2020. Our Licensed Childcare and Franciscan Health Services at the YMCA location will remain operational until further notice.

We are pleased to offer you access to many new and exciting virtual options with group exercise classes to help you stay healthy during this time of social distancing. These options offer high-quality workouts via computer, tablet, and smartphone.

- [Les Mills on Demand](#)- free to Y members for 2 weeks
- [Y360 Group Exercise Classes](#)- free to Y members for a limited time

Since our inception in 1885, we have always been that organization that walked in the direction of the challenge. We ask that you join us in the effort. May we ask that you consider the continuation of supporting the Y through your ongoing monthly membership fee. If at this time making these payments is challenging, please consider the option to freeze your membership temporarily by contacting Jess Dirksen at [jess@lafayettefamilyymca.org](mailto:jess@lafayettefamilyymca.org).

During this suspension of operations, you can expect regular updates from us via email, website and our social media channels: Facebook, Twitter, YMCA App, and Instagram.

The YMCA will continue to work with the health department and local authorities to determine what other actions, if any, would be prudent on our part and when it is appropriate to reopen our facilities.

Thank you for working with us to demonstrate the power of community and what we can accomplish when we come together to support those who need us the most.

With gratitude,

Paul Cramer
